

Children's Hospital of Pittsburg

The Children's Hospital of Pittsburg has recently been named on the top ten list of pediatric hospitals in the United States by U.S News & World Report. This brand new facility opened on May 2nd, 2009.

The hospital is situated on a 10-acre tract of land in Pittsburgh's Lawrenceville neighborhood. The campus includes 9 floors of inpatient and outpatient care, a 41-bed emergency room, 79-bed critical care unit, 13 operating suites, and state of the art nursing workstations with a paperless information management system. Additionally, a 10-story research center, faculty pavilion, and an administration office building complete the campus.

VT Industries has supplied over **3,000 Architectural Wood Doors** for the hospital. **Plain Sliced White Maple Veneers** were selected for both **Flush and Stile & Rail Doors**.
